

## The Minions (III): KEVIN!!!

The pattern is designed to be crocheted in spiral except for the area of the overalls, the eyes and the ribbon glasses that are crocheted into rows. Using cotton yarn and a 3mm hook you can get a doll of about 22cm in height

### Stitch key

- ⊖ magic ring
- ch chain
- sl st slip stitch
- sc single crochet
- v increase = 2 sc in the same stitch
- ^ decrease = 2 sc together
- BLO back loop only
- FLO front loop only

Number before the symbol means how many times the stitch should be done, such as, 5sc = single crochet in 5 next stitches

Number after sequences in brackets means how many times you must repeat it, for instance: (1sc, 1v) 6rep = repeat 6 times
